U.S. ARMY TO VISIT LOCAL SCHOOLS WITH CINEMA VAN

MILWAUKEE (September 19, 2002) – Starting October 1st, the U.S. Army Cinema Van rolls into Milwaukee area schools for a four-day tour. This “theater” on wheels is a popular Army exhibit geared to support teachers and to stimulate students’ desire to know more about the subjects they are studying in school.

The Army Cinema Van is an 18-wheel tractor-trailer. Once inside, the van transforms to serve as a theater with seating for 40 people. The objective of this Army resource is to reinforce classroom instruction by showing a presentation that a teacher identifies as beneficial and complementary to the classroom’s current curriculum. This mobile theater joins science classes and leading physicists in the exploration of black holes. It provides civics classes a dramatic and inviting look at the U.S. Constitution. The van introduces social studies classes to archaeologists in the midst of exploration. Whether the subject is technology, math, science, history or citizenship, to name a few, the U.S. Army Cinema Van is an exciting educational tool for high school students and teachers alike.

The Cinema Van is scheduled to stop at four (4) area schools. See schedule below.

October 2	Brown Deer High School	7:30 a.m. – 3:00 p.m.
