Enlistment Options

Guaranteed Job Training

The Army guarantees, in writing, training in a particular skill before enlistment.

Reduced Military Service Obligation (MSO)

This option was suspended.

Foreign Language Recruiting Initiative (FLRI)

This enlistment option is open to all qualified Army or Army Reserve applicants without prior service whose primary language is not English.

Applicants will enlist in an unassigned status, 09C, meaning that they will not choose their MOS until they pass the English Language Training (ELT). After completion of ELT, applicants will attend a two-week GT prep course and then retest on the ASVAB. They will choose their MOS after re-taking the ASVAB. Minimum requirements to enlist under this initiative are: 21-30 AFQT, 54AO and 40-74 ECLT.

Army Civilian Acquired Skills Program (ACASP)

Applicants with prior training, education and/or experience (not obtained through military service) may qualify for enlistment at a higher pay grade and use their civilian skills in the Army. Will enlist as specialist (E-4) and may not be required to attend AIT.

For the list of eligible MOSs, reference DA PAM 611-21 Smartbook at <https://smartbook.armyg1.pentagon.mil/default.aspx> (AKO log-in required)

Education Career Stabilization

Education Career Stabilization applies to non-prior service standard training only and provides the opportunity to serve in the Army Reserve and complete up to four years of post-secondary education.

Applicants must be a high school senior, high school diploma graduate, National Guard Youth Challenge or home school and score into I-III A on the ASVAB. Days of service, split option/alternate training program and prior service applicants are ineligible.

Applicants who enlist will be stabilized for up to 48 months upon accessing into the Army Reserve and completing Initial Entry Training. The stabilization period exempts Soldiers from current mobilization authority, but does not exempt Soldiers from a new federal mobilization under Presidential authority. The stabilization period is based on unit priority and length of enlistment.

Applicants enlisting for two-year ECS are entitled to an enlistment bonus and Student Loan Repayment Program. Those enlisting for three- and four-year ECS are entitled to student loan repayment. All ECS are entitled to the Reserve GI Bill, tuition assistance and Montgomery GI Bill Kicker.

Partnership for Youth Success (PaYS)

PaYS is a program to connect American industries and state and local government agencies with the U.S. Army. Applicants, upon selecting an MOS, will sign a Statement of Understanding (SOU) with a participating PaYS partner. The SOU contains information on a specific job vacancy. Soldiers departing the Army or Army Reserve who satisfactorily completed IMT and are awarded an MOS are guaranteed an interview with the selected PaYS partner. For information, visit www.armypays.com.

Army Language Program

Individuals desiring to learn a foreign language are evaluated on their ability to comprehend a foreign language on the Defense Language Aptitude Battery (DLAB). Passing DLAB score is 105 but can be waived down to 95. Those enlisting under this program will attend basic training followed by 25-63 weeks (depending on language) of language training conducted at the Defense Language Institute Foreign Language Center (DLI-FLC), Presidio of Monterey, Calif. Upon successful completion of language training, Soldier will attend 35P AIT. Graduates receive up to 45 semester hours of college credit.

Individuals who already profess to speak a foreign language have the opportunity to enlist as skilled linguist under the Army Civilian Acquired Skills Program (ACASP). An individual's language ability is evaluated through the Defense Language Proficiency Test (DLPT). The DLPT measures an individual's reading and listening skills in the language they profess to speak. Passing score is a 2 in both the reading and listening areas. Current languages eligible for this program are Arabic, Korean, French, Pashto, Persian Farsi and Spanish. Enlistees qualified for this program may be eligible for Foreign Language Proficiency Bonus (FLPB) and advance pay grade of E-4. After completion of basic training, Soldier would attend AIT in 35 P, depending on language. **Other languages could be available, check with the USAREC language branch for availability.**

If attending DLI, applicants must be U.S. citizens, be eligible for a top secret clearance, score a 105 on the DLAB (waiverable to 95), have a 91 ST score on the ASVAB and have Tier I education credentials. Family members of students enrolled at DLIFLC may enroll concurrently with the military spouse on a space available basis at no cost.

If enlisting as a linguist under the ACASP program, must be a U.S. citizen, be eligible for a top secret clearance, score a 2 in both reading and listening on the DLPT test, have a 91 ST score on the ASVAB and have Tier I education credentials.

See current USAREC Messages for languages available; most desired languages are Pashtu, Dari and Farsi. Qualifications for MOS 09L are 10 or higher on the ASVAB, 551 card holder or US Citizen, passing score of 2+/2+ on the target language Oral Proficiency Interview (OPI) in listening and speaking, passing target language reading score, **ECLT score of 40 or higher.** 09L applicants scoring between an 80-84 are also subject to taking an English OPI.

Army Reserve Officers' Training Corps (ROTC)

The U.S. Army Cadet Command at Fort Knox, Ky., directs the ROTC program. ROTC cadets are concurrently full-time college students working

toward academic degrees. The ROTC training program occupies only a small portion of a student's weekly activities.

Cadets spend two to four years in the ROTC program depending on the method of entry into the program. The program includes a Basic Course, Military Science and Leadership I and II courses, and an Advanced Course, MSL III and IV courses, conducted at 272 host institutions nationwide and through partnerships with more than 1,000 other schools. Students can receive constructive credit for the Basic Course based on prior service or other lateral entry criteria, or by attending the Leaders Training Course, formerly Basic Camp.

All cadets attend the Leadership Development Assessment Course, usually during the summer prior to their final academic year. Participants are paid while attending camp(s).

Army ROTC contracts may include a variety of incentives, from monthly stipends to tuition scholarships to drill pay and additional leadership experience as members of Guard or Reserve units. All scholarship cadets, as well as non-scholarship cadets in the Advanced Course receive a stipend starting at \$250 per academic month for MSL I, increasing by \$50 each year. College students may compete for two-, three- or four-year tuition scholarships on campus by applying directly to the professor of military science in the ROTC battalion. Recruiters should use USAREC Form 914 to provide referrals through battalion. Conduct positive handoff of the prospect to Army ROTC by calling your local ROTC unit or the ROTC unit of the prospect's preference. Ensure that the prospect understands that the referral only facilitates contact with the ROTC unit and does not serve as a scholarship application.

HRAP Soldiers report to the recruiting station and accompany recruiters throughout the community to assist in obtaining quality referrals for enlistment.

All permanent party Soldiers may apply for HRAP by submitting a DA Form 31, Request and Authority for Leave, through their chain of command. Additionally, officers may also volunteer for HRAP duty in their hometowns or areas in which they are familiar, such as where they attended college.

The USAREC HRAP database is the system of record for tracking a Soldier's HRAP duty with USAREC. USAREC leaders must ensure that the HRAP database is kept up to date. Several reports are available for leaders to monitor and check compliance.
