## A Welcome Message from the Battalion Command Team

Welcome to the U.S. Army Recruiting Battalion Denver! We are a proud and dedicated organization, supporting the Army's goal in providing the future strength required to maintain freedom in our nation.

The Denver Battalion has one of the largest geographical areas in the United States Army Recruiting Command, which ranges from Colorado and Wyoming to Nebraska and Kansas. Needless to say, some of the nation's most beautiful country falls inside our footprint.

Covering such a large area requires that some of our Soldiers be assigned to rural areas and metropolitan areas alike. We are sure you will find your assignment to be both challenging and rewarding.

If you or your Family requires any assistance, feel free to contact the Battalion S1 at (303) 894-8047 or the Family Support Coordinator (303) 863-8362.

We look forward to meeting and working with you.
