

U.S. ARMY RECRUITING BATTALION  
Soldier & Family Assistance Program  
225 E. 16<sup>th</sup> Ave. Suite 400  
Denver, CO 80203

WELCOME NEW RECRUITER AND FAMILY!

We are looking forward to your arrival here at the Denver Battalion. Let me introduce myself. I am the Soldier & Family Assistance Program Manager, (SFA) standing ready to assist you with all Quality of Life issues. Additionally, if you have an Exceptional Family Member please contact me immediately so I can assist with your transition.

Please go to [www.militaryinstallations.dod.mil](http://www.militaryinstallations.dod.mil) where you can access the USAREC Denver Recruiting Battalion. All information is accessible for the many programs you may need while planning your move, from schools to childcare to medical, housing and in-processing at the battalion.

As your Beneficiary Counseling and Assistance Coordinator (BCAC) I will assist you with TRICARE issues, including dental care for yourself and the entire family.

Denver is in the TRIWEST region of Tricare. You may receive your medical care at an Army or Air Force installation, or as TRICARE "Prime Remote", depending upon the location of your duty assignment. We will discuss this when you in-process at the battalion.

Spouses are encouraged to attend the New Spouse Orientation while their recruiter attends the New Soldier Orientation. This is full day of information, a tour of the 16<sup>th</sup> Street Mall and Military Entrance Processing Station (MEPS).

Should you have any questions prior to your arrival please contact me at 303-863-8362 or at [4dsfa@usarec.army.mil](mailto:4dsfa@usarec.army.mil)

Again, welcome to the Denver Eagle Battalion, and I look forward to meeting you.
