An Unconditional Letter of Acceptance that clearly and definitively states that you have been accepted into the BSN program and that all lower division pre-requisite classes (i.e. English or foreign languages, Biology, Math, Humanities, World Literature, History, etc.) must be completed prior to entry into the AECP. The AECP also, will not fund any non-Nursing elective courses. The letter of acceptance must also state the following:

   b. A DA 2125 completed and signed by the school detailing what your Plan of Study while in the program will be. Your Plan of study (DA 2125) must show that you will only be taking upper-division Nursing specific courses. The DA 2125 must show the specific start date of classes as well as at a minimum the projected month and year for graduation. You must also be within 24 consecutive calendar months or less (non-waiverable) of obtaining a Bachelors of Science in Nursing (BSN) in a program that is accredited by the National League for Nursing Accrediting Commission (NLNAC) and/or the Commission on Collegiate Nursing Education (CCNE) (non-waiverable). RCHS-AN (AECP)

Letter of Acceptance (ULA). Under this option Soldiers must have at the time of the board 9 Semester Hours (SH) or fewer total remaining pre-requisites. The CLA must also state the specific date for the start of classes and the projected graduation date (Month/Year). These Soldiers must then if selected, provide the AECP Manager, NLT than 90 days prior to the start of classes the same items listed in paragraphs a and b at the top of the previous page for the school to which they were accepted.

b. **Option 2:** If a school is unwilling to provide a CLA under Option #1 above, then Soldiers may prepare a Academic Plan Memo (APM) signed by them and their Company Commander in the grade of O-3 or above, that clearly states what if any pre-req’s that they must meet prior to receiving an Unconditional Letter of Acceptance (ULA). Soldiers must show where they have a plan for acceptance into a minimum of 3 schools. Consolidate the plans into only 1 APM. Under this option Soldiers must have at the time of the board 9 SH or fewer total remaining pre-requisites. The APM must also state the projected date for the start of classes and the projected graduation date (Month/Year). These Soldiers must then if selected, provide the AECP Manager, NLT than 90 days prior to the start of classes the same items listed in paragraphs a and b at the top of the previous page for the school to which they were accepted.

d. Applicants will not be considered if currently attending or scheduled to attend MOS training as a result of an approved reclassification or reenlistment contract. However, if scheduled to attend training, soldiers may request cancellation of a voluntary reclassification or waive the reenlistment contract IAW AR 601-280. You must extend or re-enlist to have at least 72 months of time remaining on Active Duty prior to orders being received to start in the AECP at your chosen university. Soldiers will retain their current rank/pay grade (unless promoted while in AECP) until commissioning. Participants that are in a promotable status and their promotion sequence number or cutoff score is reached may be promoted while in the AECP. All AR, ARNG and AGR applicants will have a grade determination done by HQ USAREC prior to MEPS processing. In some cases there may be a reduction in rank due to MOS Grade strength requirements. Additionally, IAW AR 601-210 Section 3-8c(2) all AR, ARNG and AGR applicants who are single parents are ineligible to apply for the AECP. NO WAIVERS WILL BE GRANTED.

e. Applicants must have a General Technical (GT) Score of a 110 or above on the ASVAB. (Non-waiverable) SM must ensure that the most current score is reflected on their Enlisted Record Brief (ERB).

f. The AECP Program Manager will initiate final Human Resources Command clearance for all selectee’s and alternates. Human Resources Command will provide final
authority for AECP selectee’s to start full time study. You must complete the mandatory service remaining requirement (SRR) for MOS training prior to attending the AECP Program. Human Resources Command Enlisted Branch Managers and Reclassification section may defer school attendance up to one year for those soldiers whose release would compromise Army readiness. If this applies AECP waiver protocol has to be initiated. You should have a minimum of 12 months time on station (TOS) before starting school. Until placed on orders the selection for participation in AECP does not preclude, prevent or prohibit personnel actions being taken by HRC i.e. deployments, PCS, etc..

g. The AECP applicant must be:

1. Eligible for appointment as a Regular ARMY commissioned officer under the provisions of AR 601-100.

2. Medically qualified for commissioned officer appointment IAW AR 40-501, Chapter 2 and in compliance with the height/weight requirements of AR 600-9.    a. Note - P3 profiles are not eligible to apply to the AECP. Waivers will not be considered. P2 profiles require a waiver and will be considered on a case-by-case basis. The waiver approval authority is the Deputy Corps Chief of the ARMY Nurse Corps.
   b. Temporary Profiles are not eligible to apply for the AECP (Non-waiverable).

3. Incomplete physicals will not be processed. The physical exam must be a Commissioning Physical IAW (Chapter 2) of AR 40-501. This is not the same thing as a Periodic Health Assessment (PHA) or Retention Physical. (Please provide this section of the guidelines to the physician performing the Chapter 2 Physical). The physical must be less than 2 years old at the time of the board. Prior to the completion of the program, Soldiers must complete in the Summer between their Junior and Senior year, another full physical and must still be fully qualified for commissioning IAW Chapter 2 of AR 40-501. Soldiers will not be authorized to begin their Senior year until an approved physical is received by the Program Director.

4. You MUST maintain medical eligibility, both before and after the board as well as during school enrollment and before commissioning. Pregnancy or any other changes in physical status MUST be reported to the AECP Program Manager immediately prior to receiving orders. Pregnancy or other changes in physical status during the program MUST be reported to the AECP Program Director immediately. Changes in physical status will require a new Commissioning Physical and/or a waiver process. Failure to do so will result in immediate removal from the program.
5. Any applicant that will be over the age of 32 at time of commissioning will require an age-in-grade waiver. See example of MFR to request these waivers under Appendix C Tab 1. An exception or waiver to the provision of 10 U.S.C subsection 532(a)(2) and AR 601-100 par 1-9 for those Soldiers that will be over the age of 42 is not authorized nor waiverable.

h. Applicants must have a minimum of 3.0 GPA overall (Non-waiverable). Applicant must not have ever filed for academic bankruptcy.

3) School Selection / Acceptance.

You must ensure that the college/university understands that you must be given the in-state tuition rates. Schools will normally honor in-state tuition rates pending submission of a copy of your orders for the AECP to the school. A signed letter from the Bursar of the University stating tuition will not exceed over $9,000 must be submitted with or included in Unconditional Letter of Acceptance (Non-Waiverable).

Note: The following schools are not authorized for attendance under the auspices of the AECP; any school with NECEX pass rate equal to or below 89%.

2. Troy University of Troy, Alabama (all campuses).
The AECP selectee may be re-directed to attend a school other than their primary choice by the AECP Program Manager and/or AECP Program Director.

c. ARMY funding for tuition will not exceed $9,000 per academic year (no exceptions). Additionally, you are not authorized to privately fund tuition cost above the $9,000. The university must provide a letter of understanding to waive the cost of tuition above the $9,000 in order for you to attend the school. Any such waiver must be explicit in that it will keep the tuition cost of their program under the current $9K per year tuition cap and will cover the entire 24 months that the Soldier will be attending. The use of the MGI Bill, Post-911 GI Bill or any other types of Grants or Tuition Assistance is specifically NOT authorized for use while participating in the AECP (NO EXCEPTIONS).

d. You are required to maintain full-time student status during each semester and during the summer with your respective school completing required courses. If your school does not offer summer classes you must be ATTACHED or on LEAVE through the ASD. All classes must be in residence (NO ONLINE CLASSES). The AECP will not fund elective courses that not required for conferral of the BSN. Under the AECP it is specifically prohibited to be taking any classes other than upper division Nursing specific courses while you are in the program. Failure to abide by the above will result in immediate removal.

e. The selected school must be accredited by an agency recognized by the U.S. Secretary of Education. The two accrediting agencies are the National League for Nursing Accrediting Commission (NLNAC) and the Commission on Collegiate Nursing Education (CCNE).

f. Schools of attendance must also have a “first time” NCLEX pass rate of 90% or higher.

g. Soldiers who are not enrolled in “classes required for conferral of the BSN Degree) during the summer will be attached to the collocated ARMY MTF until the start of the new semester. The attachment orders will be coordinated through the AECP Program Director at Fort Knox, KY and the AMEDD Student Detachment (ASD) Commander at Fort Sam Houston. The AECP program will not pay for classes that are not required for conferral of the nursing degree.

h. Applicants must have a minimum of a 3.0 GPA overall (non-waiverable). Soldiers are also required to maintain a minimum overall GPA of 2.5 or above for the
entire length of their program. Be advised that your school of attendance may have a higher requirement.

i. Required classes tend to “vary” with each school. The AECP Program does not govern what each school’s prerequisites will be. The following courses are required at “most” nursing schools prior to enrollment into the upper division BSN program:

Math/Statistics - 6 hours
Natural Sciences - 23 hours (Anatomy and Physiology, Chemistry w/lab, Micro-Biology w/lab)
Social Sciences - 9 hours (Psychology/Sociology/Growth and Development)
English - 6 hours (must include English Comp)
