NOTES:

- It is imperative that you become very familiar with the Warrant Officer Website www.usarec.army.mil/hq/warrant
- NO ONE should care more about your packet than YOU!!
- Keep in mind that you are applying for a Professional Position, your packet should reflect as such. Your packet is how you represent yourself to the board
- If you are scanning in documents, open the document and verify that it is legible. Rule of thumb- If you can’t read it, then the board cannot read it.
- Do not submit your packet directly from a digital sender. Send it to yourself then submit it to the WO recruiting team.
- Do not have someone else submit your packet. Have them email it to you, you review it, and then YOU submit it from your email address. AKO is preferred.
